Dear Phillip

The Goddard Trophy was an award inaugurated by Ray & Clarice Goddard of The Beech Tree Stores, Barnton because they felt there was too much emphasis in the village on wrongdoers and they wished to commend those who had done well. The Trophy was first presented in 1981.

The Trustees feel that it would be an excellent idea for the Goddard Trophy to be awarded at the Jubilee Celebrations in June 2012, and on the anniversary of this event in subsequent years, to someone who fits the criteria written below.

We would therefore request that the Parish Council put in place measures to find a worthy winner, from the people residing within the area covered by Barnton Parish Council, for the Goddard Trophy. We think that an upper age limit should be placed on nominees, say 15 as at the 1st June of the year the award is presented.

The adjudicating panel to consist of a maximum of 5 people -1 from each of the following :- Parish Council, Memorial Hall Trustees, Emergency Services, Local schools and Church Organisations. The panel to meet and decide in the April/May of the year of the presentation.

We would ask that the Parish Council advise the community through the Tunnel Top Newsletter and/or the local newspapers of the terms of reference for the Award, the process for nominating (including any paperwork required) and the closing date for nominations.

We are in possession of the original trophy which we would have refurbished ready for presenting.

Criteria

"To a child who has shown exceptional courage or ability"

We look forward to hearing from you.

Regards
Yours sincerely

Secretary to the Trustees
